IN REPLY REFER TO:
8DF

Mr. Elmer Ebaugh
President
Soldier Summit Municipal Corporation
Soldier Summit, Utah 84658

Dear Mr. Ebaugh:

We have completed our review of the preapplications for Community Development Block Grant Discretionary Funds. Your community did not rank high enough to be above the funding line, and as a consequence, we cannot invite you to submit or accept from you a full application.

To quote the regulations appearing in the October 30, 1975, issue of the Federal Register: "Full applications will be accepted only upon invitation from HUD based on HUD's review of the preapplications." (Section 570.402(e))

We sent the scores of the preapplicants to the Congressional Delegation and Governor of your state. Should you have questions concerning your community's score, we would be glad to go over each element of your ranking. You may contact your Community Development Representative, Mr. Wayne Cooper, at (303) 837-4966, if you wish more information.

Sincerely,

Robert J. Matuschek
Assistant Regional Administrator
Community Planning and Development

STATE OF UTAH
OFFICE OF THE GOVERNOR
SALT LAKE CITY

CALVIN L. RAMPTON
GOVERNOR

March 29, 1976

Mr. Elmer Ebaugh
Town President
Soldier Summit, Utah 84658

Dear Mr. Ebaugh:

I am very pleased to learn of your community's intent to participate in the Utah Community Progress Program. I feel it is most appropriate that local officials and community groups are initiating and carrying out projects in conjunction with the Bicentennial observance this year.

As you are probably aware, the 1975-76 program year, for which your achievements will be judged, is approaching conclusion. Approximately 75 communities, from throughout the State, have entered the competition for awards, which will be presented in the Fall.

I would like to take this opportunity to remind you that the administrators for the Utah Community Progress Program are most willing to offer assistance in any way during the time remaining to prepare you for the competition. A representative will be contacting you in the near future to review the criteria for judging and inform you about the time schedule for submitting your community's "Progress Book."

Sincerely,

Governor

RE: SOLDIER SUMMIT, UTAH
MASTER PLAN - CULINARY
WATER SYSTEM IMPROVEMENTS
AND SANITARY SEWER AND
LAGOON SYSTEM

Gentlemen:

On January 31, 1975, we transmitted to you a Notification of Intent and a copy of the draft, "Pre-Application for Federal Assistance to Prepare a Master Plan, Improve the Existing Culinary Water System, and Construct a Sanitary Sewer and Lagoon System for Soldier Summit, Utah". The application was submitted to the U. S. Housing and Urban Development Administration under their community planning and development grant program. Although funds for this program were expended on other projects, it is quite urgent that we receive clearinghouse comments from you in order for Soldier Summit to receive funding from other agencies.

I talked with Mr. Dale Berg, your County Planner concerning your review of the application and he stated that since the Community Planning and Development Program had not received adequate funding, to include the town of Soldier Summit, that he felt that it was not necessary to complete the letters and other paperwork concerning the project. We would like to ask that this review be completed and that copies of the review be transmitted to Mayor Elmer C. Ebaugh, of Soldier Summit and to our office.

Please forward your comments at your earliest convenience.

Yours truly,

TEMPLETON, LINKE & ASSOCIATES

Salt Lake City, Utah 84111

Dear Mr. Armstrong:

As per your telephone request of Thursday, June 12, 1975, we are transmitting to you two copies of the preliminary engineering report entitled "Water Report for the Town of Soldier Summit" dated November, 1974, which we have prepared for the Town. On December 5, 1974, we transmitted a copy of the report to Mr. Carl A. Larson, Chief Program Administrator for the Four Corners Regional Commission for his review when considering the critical potable water situation and funding needs for Soldier Summit. We in cooperation with Mr. Herschal G. Hester, III of the Utah League of Cities and Towns are assisting Mayor Elmer C. Ebaugh in obtaining financial assistance for the Town in order to implement the recommendation of the water report and to also assist in construction of a sewage collection and treatment system.

If you have any questions concerning the report and/or the proposed project, please contact our office.

Yours truly,

TEMPLETON, LINKE & ASSOCIATES
